Sign-In Sheet

- Be sure to check in at the Pro Shop each week before you play.

Scoring

- No more Score Entry sheets
- Scorecard
 - Use one scorecard only to record total strokes for each hole, for each golfer.
 - You can track putts per hole to facilitate adding up for the total, but total putts is the only thing needed by the Scorekeeper.
 - No more "x" for putts. If you reach the 10-stroke limit without sinking your putt, enter a zero for total putts, and you can stop tracking putts.
- Fringe Golfers
 - Fringe Golfers is a free app for your phone that we will use to collect scores.
 - Select the "2024 Scores" season.
 - Enter your total strokes for each hole into Fringe Golfers.
 - Keep a running tally of your putts in total putts. This will test your arithmetic skills 😊.
 - If you reach the 10-stroke limit without sinking your putt, enter a zero for total putts as your final tally.

- Be sure to Save your Fringe Golfers scorecard when you are done with the round.
- Check & Attest
 - Sum the strokes and putts on the scorecard.
 - Compare scores on scorecard to Fringe Golfers scores.
 - Team scorekeeper and person attesting the scores must sign and date the scorecard.
 - Put scorecard into our box in the Pro Shop.
- Banked scores
 - One scorecard only
 - Enter scores into Fringe Golfers using the “2024 Banked Scores” season for the date that you played the Banked round.
